

TuffPlans® Maps & Charts Retail Price List

as at 1st June 2017

TuffPlans® Waterproof Maps & Charts

- TuffPlans® Waterproof Maps & Charts are printed on Tyvek® using a high resolution colour digital printer.
- Both the Tyvek® and the printed image are fully waterproof in any conditions including seawater.
- We've soaked TuffPlans® in Petrol & Diesel and after 12 months there is no deterioration.
- These Maps & Charts can be rolled & folded without effect, the folded edges remain perfect.

TuffPlans® Plain Paper Maps & Charts

- Printed on 100gsm High Grade Plain Paper
- The printed image is unaffected by moisture.

LINZ Topo50 Maps & Maritime Charts, GNS Geological Maps

- LINZ Maps & Charts are true to scale and are sourced from LINZ (Land Information New Zealand) data, Crown Copyright Reserved.
- GNS Geological Maps are Sourced & Licensed from GNS Science, Crown Copyright Reserved.
